## Honoring Sequoia Union High School District Board Trustee Georgia Jack

*WHEREAS, Georgia Jack served on the Sequoia Union High School District Board of Trustees from 2015 to 2020; and*

*WHEREAS, her board service was preceded by many years of active volunteer service including two years as president of the Redwood City Education Foundation (RCEF) and two years chairing a music fundraising committee for the RCEF; and*

*WHEREAS, Georgia Jack served for five years on the Shared Decision-Making Committee (SDMC) at Woodside High School and served two years on the Woodside High School Foundation Board; and*

*WHEREAS, Georgia Jack has served on numerous committees in both the Redwood City and Sequoia Union High School districts, including committee participation on the recent parcel tax initiatives for the Redwood City Elementary School District; and*

*WHEREAS, the parcel taxes have helped supplement operating costs for the local schools including funding for libraries, enrichment classes, field trips, science, reading specialists, tutors, homework clubs, computers, art, music, and physical education. Without these much-needed funds, schools would have slashed these important programs for students; and*
