

RESOLUTION NO. 16242

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDWOOD CITY ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2024-25 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017, IN ACCORDANCE WITH THE STREETS AND HIGHWAYS CODE FOR THE ROAD MAINTENANCE AND REHABILITATION ACCOUNT

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City of Redwood City must provide a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA) created by SB 1, in a resolution including a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City of Redwood City, will receive an estimated \$2.16 M in RMRA funding in Fiscal Year 2024-25 from SB 1; and

WHEREAS, this is the 8th year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate 59 streets/roads, add active transportation infrastructure throughout the City this year and similar projects into the future; and

WHEREAS, the 2023 California Statewide Local Streets and Roads Needs Assessment found that the San Mateo County's streets and roads are in a good condition and this revenue will help us increase the overall quality of the City's road system and over the next decade will bring our streets and roads into a very good condition; and

WHEREAS, the SB 1 project list and overall investment in the City’s local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials, and practices, will have significant positive co-benefits statewide.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF REDWOOD CITY AS FOLLOWS:

1. The above recitals are accurate and are incorporated herein by reference.
2. The following list of newly proposed projects will be funded in part or solely with the Fiscal Year 2024-25 Road Maintenance and Rehabilitation Account revenues:

Estimated Useful Project Life	8 to 15 years		

Estimated Project Schedule	Start (09/25) - Completion (07/26)
Project Description	The Roadway Management Program inventories, assess, and tracks maintenance of the City's roadways. Each year, streets are prepared for resurfacing with crack sealing and spot repairs before being resurfaced with an "overlay", "cape seal", "slurry seal" or "microsurfacing". In Fiscal Year 2024-25, the City intends to use RMRA funding to do spot repairs, overlay, "slurry seal" or "microsurfacing" of the above-listed street segments. The project would go to bid spring 2025.

3. This resolution shall be effective upon its date of adoption.
